

Bedfordshire Police

Raising awareness about Autism

Our journey...

- 2011 - Autism Train the Trainer delivered to members of Bedfordshire Police
- 2012 - Autism Awareness training embedded within interviewing courses
- 2013 - Autism Awareness training given to all Community officers. Embedded as a standard item within Leadership Training
- 2014 – Autism Awareness training rolled out to all frontline staff and officers. Autism awareness embedded to all new frontline employees

The Training journey...

What success looks like

Where next...

- Autism Awareness to remain as a standard item on all initial training for public facing staff and officers
- Possible expansion to delivery across Cambridgeshire and Hertfordshire in conjunction with forthcoming collaboration
- Suggestions from you.....?
